

Blazing Trails

Blazing Trails Scholarship Program

The Blazing Trails Scholarship Program was established to recognize an excellent and deserving student seeking a vocational / technical education in science, technology, engineering, arts, mathematics (STEAM) related fields.

The student selected will be awarded a full-tuition scholarship to pursue a vocational / technical degree or certificate at an accredited community college, technical / vocational school, or approved technical institute. The scholarship recipient must be currently enrolled, or registered to enroll, in a STEAM vocational / technical trade program or apprenticeship.

Applicants will be asked to explain their plans upon graduating.
